Please list any prior undergraduate or graduate level coursework completed in Chicano/Latino Studies prior to beginning your PhD at UC Irvine.

Please list any graduate level coursework you have completed in Chicano/Latino Studies while undertaking your PhD at UC Irvine. Please include the course number, title, and instructor.

This may include classes cross-listed in Chicano/Latino Studies or classes that you feel significantly addressed Chicano/Latino experiences and may count toward the emphasis.

Write a one- to two-page statement of purpose, including career objectives, areas of interest and research, and record of research, teaching, community, and/or creative work. It is important that your statement details how your research interests relate to Chicano/Latino Studies and how the emphasis will help you further your objectives.
